

[2010 AWARDEE NAME]
NASA SUMMER OF INNOVATION (NNH10ZNE004C)
QUARTERLY PERFORMANCE REPORT (QPR)
DUE DATE: [INSERT QPR DATE]

P.I. Name: [INSERT P.I. NAME]

Submission Date of Report: [INSERT SUBMISSION DATE OF REPORT]

Performance Data: [INSERT PERFORMANCE DATA]

Summer of Innovation Participant Data						
	1 st QTR (Oct-Dec)	2 nd QTR (Jan-Mar)	3 rd QTR (Apr-Jun)	4 th QTR (Jul-Sept 1)	Year to Date Total (Cumulative)	Comments
Total number of middle school students:	[INSERT]	[INSERT]	[INSERT]	[INSERT]		
Total number of certified teachers:	[INSERT]	[INSERT]	[INSERT]	[INSERT]		
Total number of informal educators:	[INSERT]	[INSERT]	[INSERT]	[INSERT]		
Total number of outreach participants (Describe participants in comment section)	[INSERT]	[INSERT]	[INSERT]	[INSERT]		

Accomplishments/Highlights/Testimonials of Note: [a few summary paragraphs will suffice including URLs, photos, post event materials, etc.]

Planned Activities/Events: [a few summary paragraphs and/or bullets related to applicable topics below including press releases, flyers, promotional materials, etc.]

Upcoming Events:

-
-

Teacher Professional Development:

-
-

Deliverable 4: STEM Learning Community

- Plan for Implementation [Describe how the STEM Learning Community will be established, available to participants, methodology, etc.]
- Status of Implementation [List Key Milestones and Status of Each]
- Planned activities for educators and students during this quarter [List of Activities for Students, List of Activities for Students; include Date, Title, URL (or other reference), Content Area]
- Planned activities for educators and students during the next quarter [List of Activities for Students, List of Activities for Students; include Date, Title, URL (or other reference), Content Area]
- Requests for NASA support of STEM Learning Community activities [Date, Title of Activity, Location, Description of Activity, Preferred Medium (electronic or in-person), and brief justification for request.]

Deliverable 5: Assessment of Effectiveness (Status and Preliminary Findings of Local Evaluation):

- **Educators** [Status of Evaluation of Educator Professional Development, Briefly Describe Preliminary Findings]
- **Students** [Status of Evaluation of Summer Student Engagement, Briefly Describe Preliminary Findings]
- **Overall Implementation** [Status of Evaluation of Implementation and Status of Key Milestones]
- **STEM Learning Communities** [Status of Evaluation of STEM Learning Communities, Describe Preliminary Findings, Barriers to Implementation]
- **Longitudinal Tracking Methodology** [Plans and Key Milestones, Status of Implementation of Proposed Longitudinal Tracking Methodology, Preliminary Longitudinal Data and Findings, Barriers to Implementation and Proposed Resolutions]

Lessons Learned: [a few summary paragraphs and/or bullets on lessons learned related to overall implementation of your Summer of Innovation activities]
